Dear Bill and Anita,

Thank you so much for all the hard work from both you and the staff at our wedding reception 5th July 2013. We wanted a venue that was both beautiful and had a relaxed atmosphere. Visiting last October the pub fulfilled both of these qualities with abundance and having met you both we were confident our perfect day could be achieved with you.

On the day we were truly blown away with how amazing the pub looked on our arrival and loved the care and attention that had been placed on the arranging of gazebos, tables, umbrellas and all the decorations. The garden was looking absolutely stunning – Bill you should consider the Chelsea flower show!

We have received so many complimentary remarks on the venue and the food with several of our guests suggestion The Crooked Billet is the only place to have a wedding reception! We really feel that you both listened to all our hopes for the day and that all our expectations and more were achieved.

Thank you both again and we look forward to seeing you in the future.

With love and thanks

Jane & Mike
